## ABOUT ME

I'm Md. Zahid Hasan Khan, a Full-stack developer specializing in the MERN stack (MongoDB, Express.js, React, Node.js). I enjoy building clean, responsive web interfaces that provide a smooth user experience. I write efficient and maintainable code and love turning designs into functional reality. I'm always learning new tools and techniques to improve my craft. I'm eager to contribute to a team where I can help create great web products.

## SKILLS
